The grapes were hand-harvested. The Components were fermented separately and blended after fermentation. Staves and older barrels are used for ageing. The wine is blended to showcase the best each cultivar has to offer.

DESCRIPTION

This is a dry-style red wine blended to produce a well balanced easy drinking wine with primary aromas of pepper, cherries and tomato leaf derived from the cultivars used supported by sweet chocolate and spice from the oak. The well rounded palate with soft tannins and lingering flavour insures that this red is a crowd favourite.
